### Description

Under armor men's boxers. The branded boxers impress with their modern appearance. Men's underwear is made of soft material with excellent air circulation. The 4-way stretch technology allows for a high level of movement. The material of the boxers is quick-drying and excellent sweat wicking.

Boxers for men have no side or back seams, so they guarantee excellent wearing comfort. The elastic waist with brand inscriptions perfectly adapts to the figure. The perfect choice for everyday wear. The package contains 2 pieces of boxer shorts in two colors.
