### Description

Under Armor men's T-shirt. The branded sweatshirt is designed in a sporty design. You will definitely appreciate the drawstring hood in colder weather. The front side of the workout sweatshirt impresses with a graphic that displays the Project Rock collection logo. The sports sweatshirt is made of French terry, which has a plain outer side. The inside of the men's sweatshirt is soft and will help keep you warm while wearing it.

A sweatshirt for sports is a guarantee of a high level of mobility. The plus of the sweatshirt for training is the excellent sweat drainage and quick drying function. The Under Armor sweatshirt is a support for sports. The white hooded sweatshirt is the perfect companion for training, various sports and exercises.
