Description

Men's sweatshirt of the brand Under Armour. The trendy sweatshirt is designed in a sporty design. You will definitely appreciate the hood with the drawstring in the dry weather. The front side of the workout sweatshirt impresses with a graphic that displays the Project Rock collection logo. The sports sweatshirt is made of French terry, which has a plain outer side. The inside of the men's sweatshirt is soft and will help keep you warm while wearing it.

A sweatshirt for sports is a guarantee of a high level of movement. The plus of the t-shirt for training is the excellent sweat drainage and quick drying function. The Under Armor T-shirt is a support for sports. Branded sweatshirt with a hood is the best companion for training, various sports and exercises.
