**Suggested retail price:** 169.99 € s DPH

### Description

Under Armor men's jacket. A stylish training jacket catches the eye at first glance. The sports jacket is from the Project Rock collection. The men's windbreaker is made of light and breathable material. The advantage is the 4-way stretch technology, which guarantees a wide range of movement.

The Project Rock jacket is a nice-to-have piece of clothing that will also give you style. There are also two side pockets. Elastic cuffs and hem perfectly adapt to the figure. The Under Armor black jacket is the best choice for training, sports and leisure activities.
