### Description

Adidas women's shoes. Stylish sneakers catch the eye at first glance with three stripes in gold color. White women's sneakers have a higher cut, which is very trendy. In addition, they will provide thermal comfort in cold weather. The women's boots have a durable upper that is lightly perforated in the front to ensure the necessary breathability. The toe and heel are reinforced with additional material for better stability and durability.

Adidas women's sneakers are comfortable thanks to the padded collar and tongue. The soft inner insole will provide comfort even during all-day wear. Brand sneakers have laces. The rubber sole ensures stability at every step. These boots are inspired by basketball boots. Go out into the city and you'll definitely score points in these trendy sneakers!
