Description

Adidas men's shoes. Men's flats in black are ideal footwear for summer days. Black canvases are easily combined with other clothes, whether with shorts or jeans. The lightweight canvas upper is breathable and soft. Together with a robust rubber sole, they ensure a feeling of comfort wherever you roam. Men's sneakers are suitable for everyday wear.

Branded sneakers for men are decorated with three adidas stripes on the side. You can adjust the laces individually. The heel of the black sneakers is reinforced for additional support. The padded collar of the shoes contributes to the comfort when wearing men's boots, while the back strap makes it easier to put on and take off.
