### Description

Merrell men's shoes. Hiking boots will appeal to men who prefer outdoor design combined with excellent functionality. The strength of the trekking shoes is the GORE-TEX® membrane, which is water-resistant and breathable. Trekking boots have an extra reinforced toe and heel for a higher level of foot protection.

The molded Kinetic Fit™ Advanced insole, which is removable, ensures comfort when worn. Merrell Air Cushion technology provides shock absorption. The Vibram® TC5+ sole guarantees great traction. Outdoor shoes are also made of recycled material. Men's shoes are ideal for trekking, outdoor activities, camping and hiking.
