Description

Adidas men's shoes. Men's sneakers have a modern design and stand out for their comfort during wear. The branded sneakers have a breathable mesh upper that will provide the necessary ventilation. Boots for men have a reinforced heel for a better sense of stability. Black men's sneakers are tied with classic laces.

Men's sports shoes are extra comfortable thanks to the Cloudfoam and Bounce midsole. A Bounce midsole keeps the ride soft and supple, while Cloudfoam in the heel cushions every step so you can move effortlessly all day long. There are loops on the tongue and heel of the stylish sneakers that make it easier to put on and take off. The classic cut fits well and the adiWear rubber sole adheres perfectly to the surface. Sports sneakers are also made from recycled materials.
