Description

Junior overalls brand adidas originals. The stylish overall for children is made of pleasant material, which is also recycled. It is a perfect piece for exercise or free time. It consists of a single unit consisting of a top and a bottom, which are connected by an elastic band at the waist. The black children's overall is decorated with three adidas stripes on the sides and the Trojlístka logo on the chest. The children's jumpsuit closes with a zipper and is finished with a collar.

The sports overall has a classic cut. The advantage is the elastic band on the rubber. The overalls for children have two side pockets with a zipper. The sleeves are finished with elastic cuffs, while the cut of the bottom part is straight. Due to its color, the children's set is suitable as a boy's overall or a girl's overall.
