Description

Men's adidas originals sweatshirt. The sports sweatshirt catches the eye at first glance with the large Trefoil logo on the front. It is made of pleasant cotton material from sustainable sources, which is pleasant to the touch and wears well. Inside, the men's sweatshirt has warm fleece. The blue sweatshirt has a classic straight cut and a round ribbed neckline.

The branded sweatshirt has raglan sleeves that do not hinder movement. It is easily combined with other sports clothes. The Adidas originals sweatshirt is without a hood and is worn over the head. Go out into the city with your friends and this trendy sweatshirt will be your favorite companion.
