Description

Adidas originals women's cap. The stylish cap stands out with an embroidered logo on the front. It is made of pleasant cotton material and wears well. The branded cap has a classic 6-panel construction and the advantage is the ventilation holes on the sides.

Adidas women's cap has a covered peak that protects you from the sun's rays. The back can be easily adjusted using a strap with a buckle. The adidas originals beige cap is suitable for everyday wear in your free time, in nature or in the city.
