### Description

Red Bull Spect ski goggles. The coolie appeals with a minimalistic design that is trendy. The ski goggles have cylindrical polycarbonate lenses with horizontal curvature that provide a wide field of vision and allow for excellent peripheral vision. Lightweight polyurethane frame that is abrasion resistant and at the same time provides very good air ventilation.

The goal of F°SCAPE Anti-Fog technology is to prevent fogging of the lens. Ski goggles also have protection against scratches. On the slopes, you will appreciate the high-quality UV protection from sunlight. FREE°D technology corrects the refraction of light, preventing optical distortion. The ski goggles can be comfortably adjusted thanks to the wide strap with a non-slip silicone inner layer. The perfect choice for skiing or snowboarding.
