### Description

Equa brand bottle. The water bottle has an original design. There is an interesting print all around the bottle. At the bottom of the eco bottle is the brand logo. It closes with a practical screw cap.

The healthy bottle is made of Tritan material, which is very durable. The special material can withstand temperatures up to 100 degrees Celsius. It also does not contain harmful substances such as BPA. The Equa bottle is easy to wash. The outer surface of the bottle consists of a soft silicone layer, and therefore such a bottle is not suitable for the dishwasher.

The bottle has a versatile use. A plus is the hand strap. It is also perfect as a water bottle for children going to school. It is a great choice for school, work, trips and sports.
