### Description

Adidas women's shoes. Women's sneakers will please ladies who prefer minimalism and clean lines. The boots have a universal black color and are decorated with only three adidas stripes on the side. The black sneakers are breathable thanks to the textile upper. Foot support is provided by three stripes in the middle part of the shoe and a reinforced heel. They have a classic cut and sit well on the leg.

Brand sneakers are tied with laces. They have comfortable padding and a soft inner insole. Women's black boots also have a Cloudfoam midsole. It increases cushioning and is combined with a soft memory foam insole that provides support even after long wear. You won't be taking off these sports shoes anytime soon. The flexible sole grips well and provides stability. Sports sneakers were also made from recycled materials. They are suitable for everyday wear and leisure time.
