Description

Adidas originals sports kit. The stylish training set is made of pleasant material, which is also recycled. It is a perfect piece for training and sports. The red sports kit is decorated with three adidas stripes on the sides and the Trefoil logo on the chest.

The training set has a classic cut. The adidas sports overall has a practical stand that protects the neck in dry weather. The advantage of the overalls is the elastic waist, which adapts very well to the figure. The sleeves are finished with elastic cuffs, while the cut of the bottom part is straight. Due to its color, the children's set is suitable as a boy's overall or a girl's overall.
