### Description

adidas originals socks. Ankle socks will appeal to ladies and gentlemen who prefer a trendy look. The adidas logo is a matter of course. Thanks to the elastic cuffs, the socks for men and women adapt very well to the feet.

adidas socks are made from a combination of materials that are supportive when worn. The advantage is the high proportion of cotton. Branded socks are soft, pleasant and comfortable to wear. White adidas socks are the best choice for everyday wear and leisure activities.
