### Description

Girls' shoes from the adidas brand. Boots for girls stand out with the well-known Mickey Mouse motif, which makes them unique. They have a durable upper that extends their life. The comfortable classic cut of children's shoes fits well on every foot. Children's sneakers are tied with laces, which are supplemented with a strap with Velcro.

White sneakers for children are also made of recycled materials. A comfortable inner insole and a padded shoe collar contribute to comfort during wear. The girls' boots have a rubber sole that grips well even on wet surfaces. They are suitable for everyday wear to school or to parties.
