Description

Adidas men's shoes. Stylish sneakers for men are eye-catching thanks to their black and red design and sole. Sports shoes for men have a comfortable upper in a combination of materials that hugs the foot well. A soft sewn-in tongue and a comfortable inner insole make these men's boots the perfect everyday companion.

Branded men's sneakers have a classic cut and lacing. The advantage is a sewn-in tongue with a reflective element, thanks to which you will be visible even in bad weather or in the dark. The Boost midsole will provide cushioning and cushioning. The rubber sole ensures grip on the surface. Black men's boots are also made from recycled materials. These adidas men's shoes will definitely liven up your outfit. They are suitable for everyday wear to school or work.
