Description

Volcano men's sweatshirt. The B-ANDY sweatshirt is a bestseller of the Volcano brand, which makes sure that the sweatshirt always appears in the most fashionable colors of the season. It is a combination of a classic cut with the latest color trends in fashion!

The sweatshirt for men is made of cotton material. B wool fibers are airy, which increases the comfort of wearing a sweatshirt. French terry cloth was used to sew the sweatshirt with an inner side that is pleasant to the touch. The stylish sweatshirt has elastic cuffs and a lower hem, thanks to which it adapts well to the figure. The sweatshirt in lime green design is great for casual wear and leisure activities.
