Description

Everett women's sweatshirt. The trekking sweatshirt is decorated with the inscription Everett on the sleeve and on the front. The outdoor sweatshirt has a stand that protects the neck in the dry season. A chest pocket and two side pockets hide all the little things. The plus point of the trekking sweatshirt is the thumb holes in the lower part of the sleeves. All female hikers will definitely appreciate the slightly elongated rear side.

The hiking sweatshirt for ladies is made of pleasant material that will provide comfort when wearing. The forest sweatshirt for ladies is a guarantee of a high degree of mobility. The bonus is the YKK zippers, which are known for their durability. The women's mountain sweatshirt can be worn as a top layer or as a bottom layer under a windbreaker. The sweatshirt for women is an excellent choice for outdoor expeditions, hiking adventures, trekking and camping.
