### Description

Women's sweatshirt brand 4F. A trendy sweatshirt made of pleasant material has a high cotton content and is pleasant to the touch. It will definitely become your favorite piece during your free time with friends. It is comfortable to wear and has a loose cut in the style of a crop top. It has a built-in hood that makes it very trendy. You can easily combine the design of clean lines with other clothes and underline your casual style.

The hooded sweatshirt has raglan sleeves that do not hinder movement. The sleeves are finished with elastic cuffs. Crop top sweatshirt goes well with sweatpants, shorts or a skirt. There is a small 4F logo on the chest. The branded sweatshirt is worn over the head. It is not insulated. The soft French terry material with a high cotton content will ensure your comfort during everyday activities.
