Description

Women's bra brand 4F. The training bra catches the eye with an interesting pattern. The plus of the sports bra is the wide strap under the bust, which provides support. The sports bra has a V-shaped neckline on the front and back. The bonus is the wide straps that sit well on the shoulders.

The training bra has soft, removable inserts. The strength of the training bra is the 4F dry technology, which ensures quick drying. The 4F bra is made of pleasant material that ensures excellent air circulation. A high degree of mobility is a matter of course. The blue bra is a trusted choice for exercise and sports activities.
