Description

Lazer cycling helmet. The bicycle helmet in gray design has basic parameters suitable for riding a mountain bike. It is made with In-Mold technology, so it is light but strong. It has ventilation holes for better air circulation and an insect net. The bicycle helmet has reflective details for your higher safety.

The bicycle helmet has a design of clean lines and is decorated only with the brand logo. It has a protective shield against sunlight. It is suitable for wearing in the city and in nature. You can adjust the adjustable strap with a buckle as needed. The bicycle helmet is easily adjusted using the TurnSystem® turning wheel in the back. Its design makes it suitable as both a women's and a men's bicycle helmet.
