**Description**

Adidas men's shoes. The black sneakers have three black adidas stripes and a gold logo on the tongue. The durable synthetic leather upper ensures optimal breathability. Men's boots are a guarantee of wearing comfort. Men's sneakers have a reinforced heel for better stability while walking. Classic lacing perfectly fixes the foot.

You can easily combine branded sneakers with many outfits. The advantage of adidas boots is the insole made of EVA material, which contributes to wearing comfort. Adidas sneakers have a rubber sole that ensures stability and grip at every step. A great choice for everyday wear, for the city, for work and for leisure.
