### **Description**

Under Armor girls' shoes. Girls' sneakers have a classic cut. Sports sneakers for girls are in a trendy gray design with pink elements. The lightweight construction of the sports shoes contributes to comfort during sports. The training sneakers ensure excellent air circulation thanks to the mesh upper. External reinforced heel and toe contribute to the stability of the foot.

Under Armor girls' boots use Anti-Odor technology, which prevents odors and the growth of bacteria. The gray boots for girls have a midsole with Charged Cushioning technology from molded foam that supports cushioning and cushioning. The girls' athletic sneaker features a firm rubber sole with strategically placed panels to increase durability in high-wear areas. Sneakers for girls are ideal for training and sports activities.
