Description

Vans women's shoes. Women's sneakers in the classic design of the Vans brand are suitable for everyday wear to work, school or leisure. The breathable upper will provide the necessary air circulation to keep you fresh. Black sneakers are comfortable thanks to the comfortable insole inside. The reinforced heel at the back will provide the necessary stability.

Branded women's sneakers have laces. The rubber sole with a typical waffle pattern ensures a stable step even on wet surfaces. Vans sneakers have a slight platform that is very trendy. Stylish boots go well with many outfits and will definitely be your favorite piece.
