Description

Jansport brand backpack. The stylish backpack attracts attention with its interesting all-over print. It is made of high-quality and durable material. It has one main compartment with two zippers, which hides all your necessary things. Inside the printed backpack there is a separate compartment for a laptop up to 15 inches in size, which is finished with an elastic band. The rucksack is also suitable as a school or student backpack. It is also decorated with an applique with the brand's logo on the front.

The branded backpack has a smaller zippered pocket in the front, which is used for small items that you want to have close at hand. The black backpack also has a side pocket for a water bottle. A padded back panel and shoulder straps are a matter of course. The school backpack is so comfortable to carry. The straps can also be adjusted individually. The Jansport backpack is an excellent companion for every day.
