### Description

Eastpak backpack. The branded backpack in a timeless white and black design stands out with a print with the brand's inscription. It is made of durable material and is not easily destroyed. The black bag has one main compartment with two zippers. It is large enough to fit all your necessary things. The urban backpack also has a smaller zipped pocket on the front and is decorated with an appliqué with the brand's logo. It is suitable for every day, whether for school, on a trip or training.

Due to its design, the stylish backpack is suitable as both a women's and a men's rucksack. It has a padded back and straps, so it is comfortable to wear and does not press. The straps are individually adjustable. The loop for hanging or holding in the hands is also an advantage. A backpack for school or on a trip will become your favorite companion and perfectly complement your outfit.
