**Description**

Women's pants by Northfinder brand. Outdoor pants will appeal to ladies who like a timeless look. Trekking pants are not only functional, but also durable. The hiking pants have an ecological water-resistant finish without PFC substances. In addition, they guarantee reliable air circulation. Mountain pants for ladies will convince even demanding hikers with their quick drying function. Thanks to this, you can fully concentrate on conquering the hiking trails.

Trekking pants have a classic cut that fits well on every body type. The flexible material ensures a high degree of movement. Functional pants for women have shaped knees. Two side pockets will serve to store small items. Outdoor trousers have YKK zippers, which are extra durable. Black trousers for ladies are reliable companions for outdoor adventures, hiking trips, camping and trekking.
