Description

New Era women's cap. A stylish cap for ladies in white will please all active women. It is decorated with colorful embroidery with the New York Yankees logo on the front. There is an embroidery with the brand logo on the side. The NY cap is made of pleasant cotton material and wears well. It has the popular 6-panel crown that fits perfectly on the head.

The New Era women's cap has vents that provide the necessary ventilation. The curved visor reliably protects you from the sun's rays, wherever you are. The New Era cap is adjustable thanks to a strap with a buckle on the back. The white cap is a suitable companion for vacations, free time or walks around the city.
