Description

New Era cap. The branded cap made of cotton is dark green in color. It is decorated with an embroidered New York Yankees logo on the front. The NY cap has a classic 6-panel crown that holds its shape well and sits well on the head. There is an embroidered brand logo on the side. The green cap has a curved peak that will provide the necessary protection from sunlight.

The New Era cap has ventilation holes. They will provide you with the necessary ventilation during hot days. The New Era cap is adjustable thanks to the strap with a buckle on the back. A trendy cap is a suitable companion during your free time, on vacation or on a trip. Complete your sporty look with this cool cap.
