Description

Crocs women's shoes. Women's flip-flops will please all women who prefer comfort and style. They have a pink color that enlivens or completes any summer outfit. The pink flip-flops have a minimalist design and are on a soft platform. They are made of the patented Croslite™ material, which is antibacterial, prevents the spread of odors, perspiration and prevents the formation of mold and bacteria. Summer flip-flops have an ergonomic shape. A comfortable insole with massage points contributes to pleasant wear even throughout the day. Platform flip flops have a lightweight construction that you'll love.

Crocs flip-flops have a grip between the toes made of soft TPU. They are easy to clean and dry quickly. They have holes on the straps that you can decorate the Jibbitz and show your own style. Summer flip-flops for ladies are an ideal companion for vacations or staying by the pool. The advantage is the anti-slip sole.
