Description

New Era cap. The NY trucker style cap has a timeless black and white design. Branded cap in retro style has a New York Yankees logo print on the front. The back part consists of a mesh panel and an adjustable strap, thanks to which you can adjust it individually. The sports cap therefore provides sufficient air circulation.

The New Era cap has a brand logo patch on the left side. The curved visor provides plenty of shade and protection from the sun's rays. You will definitely appreciate the solid structured 5-panel "trucker" crown, which holds its shape. The NY cap fits so perfectly. It is a suitable companion for work, school or during free time.
