Description

Under Armor men's shorts. Men's shorts will attract attention with a modern melange design. Branded shorts are a nice to have piece of clothing. You can easily combine them with T-shirts and sweatshirts of different colors. The Under Armor shorts are made of a pleasant terrycloth material that has a smoother outer layer and a warm, soft inner layer. Sweat shorts wick away sweat very well and dry quickly. They have an elastic waist with a drawstring, so they adapt nicely to the figure.

On the sides you will find two small pockets. Short pants for men are unlined, so you can use them even on hot days. Tracksuit shorts fit comfortably on the figure, are very comfortable and provide a good range of motion thanks to the classic cut. On the side you will find the brand logo. Great for leisure activities.
