Description

Under Armor women's bra. The sports bra is ideal for medium-intensity sports. The training bra is made of light and quick-drying material with HeatGear technology. The material is pleasant to the touch and perfectly wicks away sweat. You can easily combine a black bra with many sports outfits.

The Under Armor branded bra has panels made of fine mesh material for even better air circulation. Shaped PU padding ensures maximum support, coverage and comfort during exercise or training. The sports bra has a perimeter belt made of pleasant material that wicks away sweat well. A bonus is the simple fastening with a hook. Under Armor bra has adjustable straps with Under Armor lettering.
