Description

Crocs brand Crocs. LiteRide crocs impress with a stylish look that is inspired by sports. If you are looking for trendy Crocs sandals, these shoes for both ladies and gentlemen are the right choice. Brand crocs contain LiteRide™ foam, the main function of which is comfort during everyday wear. It is super soft, light and extremely durable. Crocs sandals guarantee support and cushioning where your feet need it most. You will appreciate the light construction for everyday wear.

Men's or women's Crocs have a molded Matlite™ Motion upper. The perforated upper offers reliable air circulation and flexibility. Crocs sandals are made of antibacterial material Croslite, which prevents odor. Branded sandals are very easy to maintain. There is a strip in the heel area, which serves for a better fit and stability of the foot. The raised back part of the heel also contributes to stability during walking. A non-slip sole with good grip is a matter of course. Crocs sandals for ladies and gentlemen are the best choice for casual wear, leisure time or as footwear for the pool and aqua center.
