Description

Fundango swimwear top. The bikini top has a classic cut that is great for any body type. The swimming bra is designed in a minimalistic look. You can easily combine the women's bikini top with the lower part of swimwear in different colors. The perfect piece for a mix and match system.

The women's bikini top is made of light material and will appeal with its quick drying function. The elastic construction adapts very well and guarantees a high level of movement. The upper part of the swimsuit for ladies is a great choice for vacations, the beach, the water and the aqua center.

Product details:
