### Description

Women's flip flops brand Coqui. Summer flip flops in a minimalist and modern design. Beach flip-flops will convince ladies who like a casual look. Flip flops for ladies are made of lightweight CoquiAir material, which has antibacterial properties. The brand's flip flops are light in weight and provide comfort when worn. The sole is non-slip and does not leave marks on the floor.

Summer flip flops are a great piece for a summer vacation. You can easily combine pink flip-flops with dresses and women's shorts. They are suitable for the beach but also for the pool, for walks or as slippers for the wellness resort.
