Women's jacket from the brand Authority. Thanks to its cut, the ski windbreaker is also suitable as a snowboard jacket. It has a half-zip fastening, which is complemented by an inner and outer windbreak. The outer placket fastens with snaps. The zipper is also finished with a chin guard. Another zipper that helps with dressing and undressing is located on the right side. On the left side, in the armpit area, you will find a ventilation opening with a zipper. The zippers on the jacket are also waterproof.

The orange winter jacket has a built-in hood that you can adjust with the help of drawstrings. The sleeves are finished with adjustable cuffs with Velcro. Internal cuffs with thumb holes, which prevent heat from escaping, are undoubtedly an advantage. The women's winter jacket has two large zippered kangaroo pockets on the front. One has zippers on the side, the other above under the flap with the word Authority. You can find another pocket on the left sleeve where you can store your ski pass.
