Description

Adidas bag. The crossbody bag is designed in a clean line design that is always trendy. The adidas shoulder bag is ideal for documents, keys and essentials. The adidas logo on the front completes the minimalist look. A branded bag is a stylish addition to any outfit.

The small shoulder bag has a main compartment with a zip closure. In the front there is a smaller zipped pocket for small items. The strap of the shoulder bag is adjustable and you can adapt it as needed. The black adidas bag is a great companion for vacations, to the city, to work or for free time.
