Description

Adidas bag. The small shoulder bag is designed with clean lines. The adidas crossbody bag is ideal for documents, keys and essentials. The minimalist design complements the logo on the front. A branded bag is a stylish addition to any outfit.

The shoulder bag has a main compartment with a zip closure. There is a smaller pocket for small items in the front. The strap of the shoulder bag is adjustable and you can adapt it as needed. The stylish shoulder bag is a practical companion for vacations, in the city or for free time. It was also made from recycled materials.
