Description

adidas originals brand jacket. The trendy kidney has a timeless black color and is decorated with the brand's logo. It is made of durable material. It has one main compartment and one zipped pocket in the front. The black kidney has an adjustable strap and fastens with a buckle. The strap is decorated with the characteristic three stripes.

The brand kidney perfectly complements any outfit. It can be worn around the waist or as a crossbody bag over the shoulder. The adidas tracksuit was also made from recycled materials. It is perfect for everyday wear, for holidays and free time.

This product contains at least 40% recycled materials and is one of adidas' solutions to help eliminate plastic waste.
