Description

Adidas travel bag. A sports bag always comes in handy. The men's bag has a large adidas logo on the front. The minimalist design of the adidas bag is timeless. A branded bag is a nice-to-have accessory that is practical and versatile.

The brown bag has a spacious main compartment and a larger storage space. Inside the sports bag there is a pocket with a zipper. A bonus is the mesh pocket on the side for storing small items. A plus of the exercise bag is also a separate compartment for shoes and a zippered pocket on the side for better organization of things. Padded handles and an adjustable shoulder strap allow for comfortable carrying of the bag. The trendy adidas bag is perfect for carrying sports equipment, traveling, trips and business trips. Also suitable for the fitness center.
