Description

Kidney brand Under Armour. A stylish waistcoat is a nice-to-have accessory that adds flair to any outfit. You can carry the Under Armour bag as a shoulder bag or a crossbody bag. The plus of the trendy waistcoat is the waterproof UA Storm technology, which ensures waterproofness.

The crossbody bag has one main storage compartment. The pockets are designed to give you quick access to the things you need most. The brand kidney has an adjustable strap with a buckle. A black kidney with a white Under Armour logo is ideal for casual wear, for the city and for leisure activities.
