Description

Adidas women's shoes. Adidas women's sneakers in black design are decorated with three soft shiny black stripes on the side. Branded sneakers for ladies have a synthetic upper that protects against adverse or colder weather. Black adidas sneakers have a classic cut and lacing that you can customize individually.

Sneakers for ladies have a mesh tongue that guarantees air circulation towards the foot. You can easily combine black boots and create a sporty and elegant look. Women's boots are also made of recycled material. Branded boots are ideal for casual wear, going to town for shopping and leisure time.
