Description

Girls' ski set of the brand Color kids. The girls' ski set is designed in a trendy yet timeless look. Thanks to their excellent functional properties, the ski pants and ski jacket provide excellent protection against frost and wind. Waterproof warmers for girls have straps that are easily adjustable. The snow hem in the lower part prevents snow from penetrating into the winter trousers. Taped seams are a guarantee of protection and durability.

The girls ski set is windproof, waterproof and provides good air circulation. The benefit of the ski jacket and pants set is the water-resistant Bionic Finish Eco finish, which is fluorine-free. It is an ecological treatment that is biodegradable.

The ski jacket has a practical hood that comes in handy in dry weather. The inner lining guarantees comfort and keeps you pleasantly warm. Reflective details will provide visibility even in poor light conditions. The branded set is a top choice for skiing, winter sports, winter outdoor activities and games in the snow.
