Description

New Era women's cap. The cotton cap in a neutral beige color can be easily combined with many outfits. The cap for ladies stands out with the embroidered logo of the favorite New York Yankees club with a metallic effect on the front. It has a classic 6-panel crown that holds its shape and fits well.

The NY cap has small ventilation holes that allow proper air circulation and a better feeling while wearing it. The beige cap has a curved peak that will provide protection from the sun. The branded cap is adjustable at the back thanks to a strap with a buckle. It is made of durable and pleasant cotton material.
