Description

New Era cap. The white and black cap will please everyone who prefers a sporty style. It is made of pleasant cotton material and is decorated with an embroidered Chicago White Sox logo on the front. It has a trucker cut, so it has mesh on the sides and back to ensure air circulation. The NY cap has a bent peak that protects against the sun's rays.

The branded cap has an embroidery with the New Era logo on the side. It is adjustable with a strap on the back. It refreshes and complements any outfit and is a great choice for everyday wear, leisure time or staying in the sun. It is a must have piece for this season.
