### Description

New Era cap. The branded cap is made of pleasant recycled material and has a distinctive red color. The front is decorated with an embroidered logo of the favorite New York Yankees club. The NY cap has a classic 6-panel crown that holds its shape well. The bent visor will provide protection from the sun's rays. There are ventilation holes on the cap that ensure air flow.

The red cap has an embroidered New Era flag on the side. It is adjustable using a strap with a buckle in the back. NY caps are a popular accessory for everyday wear, in your free time or on vacation. By buying this cap, you will also contribute to the protection of the environment.
