Description

New Era cap. The cotton cap is made of pleasant material and, thanks to its 6-panel crown, holds its shape well. It has ventilation holes that help with proper air circulation. The beige cap is easy to combine thanks to its neutral color. It is decorated with an embroidered logo of the New York Yankees club on the front.

The branded cap is adjustable using a strap with a buckle in the back. It has a bent visor that will provide protection from the sun's rays. It is decorated with an embroidered New Era logo on the side. NY caps are a great choice to liven up an outfit. They are suitable for free time, holidays and everyday wear.
